Docket no. 2015-199-WS  
CAROLINA WATER SERVICES' REQUEST FOR RATE INCREASE

---

**PETITION TO INTERVENE  
AS A PARTY OF RECORD**

---

FORTY LOVE POINT HOMEOWNERS' ASSOCIATION, LOCATED NEAR CHAPIN, SOUTH CAROLINA, moves to join this action as a Party of Record and entitled to receive all motions, briefs, all correspondence, and all offers of settlement among the parties.

The reasons for this motion are as follows:

1. PROBLEMS WITH WATER AND SEWER SERVICE: Forty Love residents have long expressed dissatisfaction with the water and sewer service provided by Carolina Water Service [CWS]. These problems include brown, cloudy undrinkable water, and overly chlorinated water. This summer (2015) our water pressure is inadequate to fulfill the needs of the Forty Love and Indian Fork neighborhoods that share a well water system.
2. We encourage the parties to support and proceed with the building of a pass-through interconnection with the City of Columbia so that we can have adequate water service and fire hydrants.
4. HOMEOWNERS WISH TO SUBMIT AFFIDAVITS AND TO TESTIFY WITH REGARD TO ONGOING PROBLEMS WITH CWS.

Respectfully submitted by,
